

# DIRECTIONS TO VENTANA

## VALLE DE GUADALUPE, NEAR ENSENADA, MEXICO

### From Tijuana (Less Than 2 Hours From Border)

- Cross border and follow the signs “Ensenada Cuota”
- After 1/2 hour on the toll road you will go through the second toll booth (Rosarito).
- About 18 miles later exit right off toll road. The sign should read either “Hotel La Fonda or Los Alistos”. It should be at about the 60KM marker.
- Continue south on free road, it will drop down in to a little valley (drive slowly when in town), then the road will curve into the mountains.
- After 16 miles take the very obvious LEFT, kind of in the middle of nowhere. The rather large sign will say “Valle de Guadalupe.”
- If traveling at night be sure to drive cautiously because some of the signs (i.e. curve ahead) don't give much warning.
- Travel approx. 11 miles. You will see a stop sign on the right (your first on that road) and a school on the left. Bienvenidos! You are in PORVENIR.
- Continue into Porvenir and turn left at the 3rd stop sign.
- On the next corner turn right. We are the large piece of property, with lots of brightly colored mobile homes.
- Enter gate and park near the orange trailer.
