ANCHORS AWAY SYLLABUS

Description

Using the Anchorsaway ministry curriculum this class is about the transformation of hearts and minds through the teaching of the Christian worldview. This class is designed to develop an authentic faith in the person of Jesus Christ. Besides building an understanding of the Christian worldview, it encourages and equips students to be a catalyst for change in their culture.

Goals

The purpose of anchors away is to encourage each student's biblical and spiritual growth and to equip him/her to confidently live out their faith in every area of life.

- To learn not only how to build an authentic faith in Christ, but will also be encouraged to live it out.
- Be prepared to give an answer to others as to what they believe to be true about God, Christ and the Bible.
- For students to walk passionately, think Christianly, and love others unconditionally, to the glory of God.

Evaluation

There is no college credit, there are no grades, no one passes and no one fails. The sole motivation for attendance and class work should be life effectiveness, through an increase in wisdom. When students come with that singular goal in mind, each one takes home a measure of transformation proportional to his or her individual drive and desire to be more like Christ.
