## DISCIPLESHIP

### Description

This course aims to provide students with an opportunity to evaluate their desire to follow God with their whole lives. The heart is the primary focus of this class. While there will be reading and some homework involved, it will only be to help the student gain a better understanding of where their heart really is and not for academic gain.

### Goals

The purpose of Discipleship Class is to facilitate spiritual growth, cultivate spiritual disciplines, and give students the tools for spiritual formation.

- To introduce students to the historical spiritual disciplines.
- To allow students to interact with the spiritual disciplines and help them to integrate the disciplines into their daily lives.
- To motivate students to live for God out of a heart of love for Him.

### Text resources

- Boa, Kenneth. *Conformed to His Image*.

### Class Requirements/Expectations

- Participate in all classroom discussion.
- Read all assigned text and complete all assigned homework.
- Journal after each class and/or reading of text.
- Attend all classes unless deathly ill.

### Evaluation

There is no college credit, there are no grades, no one passes and no one fails. The sole motivation for attendance and class work should be life effectiveness, through an increase in wisdom. When students come with that singular goal in mind, each one takes home a measure of transformation proportional to his or her individual drive and desire to be more like Christ.
