SPANISH

Description

Using the Rosetta Stone, Guest Speakers and other resources this class is about learning to communicate in the Spanish language in order to better build relationships with the people in Mexico. It is our hope that this language training will become a second language for you and that you will always have this resource as a part of your ministries in the future.

Goals

The purpose of Spanish Class is to encourage each student's language studies and to prepare him/her to confidently interact with people in the Baja community in their native language.

- To develop some proficiency in the student in both oral and written communication in Spanish.
- To prepare the student for some ministry opportunities in the Hispanic community.
- To lay a foundation for future language acquisition.

Text resources

- *Picture Dictionary*, Jose Vasquez, Harcourt Brace 1995
- *Rosetta Stone*, Latin America 1 & 2, DVD series 2005

Class Requirements/Expectations

- Participate in all classroom discussion.
- Study all material given in class
- Practice in your free time
- Attend all classes unless deathly ill.

Evaluation

There is no college credit, there are no grades, no one passes and no one fails. The sole motivation for attendance and class work should be life effectiveness, through an increase in wisdom. When students come with that singular goal in mind, each one takes home a measure of transformation proportional to his or her individual drive and desire to be more like Christ.
